WHAT IS TESOL?

TESOL

(Teaching English to Speakers of Other Languages)

TESOL is a professional field focused on teaching English to non-native speakers. It equips educators with the knowledge, skills and practical strategies to help learners of all ages and backgrounds improve their English language skills — reading, writing, listening and speaking.

TESOL is not just about teaching a language; it's about opening doors to new opportunities, connecting people across cultures and building a more global and inclusive world.

**TESOL helps teachers
make a real difference
— one learner at a time.**

as a Foreign Language Course

WHAT IS OFQUAL?

Ofqual is the Office of Qualifications and Examinations Regulation, the regulator of qualifications, exams and assessments in England. It oversees regulated awarding organisations and qualifications to help ensure standards and public confidence. Ofqual does not itself teach courses or automatically endorse every TEFL course, learners should check the awarding organisation and the qualification's official status.

WHY CHOOSE A 120-HOUR TEFL COURSE?

- ✓ Core teaching methodology
- ✓ Lesson planning and classroom management
- ✓ Teaching grammar, vocabulary and language skills
- ✓ Practical techniques for engaging learners

TEYL COURSE

Teaching English to Young Learners

TEYL (Teaching English to Young Learners)

The TEYL course at International TESOL Academy is designed to equip teachers with the knowledge, skills and practical techniques needed to teach English to children and young learners effectively.

This specialized training focuses on age-appropriate methodologies, classroom management, engaging activities and the development of all four language skills — listening, speaking, reading and writing — through fun, interactive and meaningful lessons.

Whether you're a new teacher or an experienced one, our TEYL course will help you create a positive learning environment and make English a joyful experience for young learners.

HOW TO TEACH **ENGLISH** TO ADULTS

Practical Strategies for Real Learning

HOW TO TEACH ENGLISH TO ADULTS (Practical Techniques for Confident and Effective Learning)

Teaching English to adults is different from teaching children. Adult learners have specific goals, busy schedules and unique learning styles. This specialized course at International TESOL Academy provides practical methods, proven strategies and hands-on activities to help you teach English to adult learners with confidence and success.

You will learn how to understand adult learners' needs, create engaging lesson plans, use communicative approaches, manage diverse classrooms and motivate learners at every stage of their language journey.

HOW TO TEACH **ENGLISH** TO TEENS

Practical Strategies for Engaging and Inspiring Young Learners

HOW TO TEACH ENGLISH TO TEENS

(Practical Techniques for Motivation, Engagement and Progress)

Teaching English to teenagers requires a different approach than teaching younger learners or adults. Teens are curious, energetic and independent — with unique interests, learning styles and goals.

This specialized course at International TESOL Academy provides practical methods, creative classroom activities and proven strategies to help you teach English to teens with confidence and success.

You will learn how to build strong relationships, use authentic materials, integrate technology, manage classes effectively and keep teens motivated through meaningful and enjoyable learning experiences.

ESP TTC

ENGLISH FOR SPECIFIC PURPOSE

Specialized English for Specialized Needs

WHAT IS ESP? (English for Specific Purposes)

ESP is a branch of English language teaching that focuses on the specific language needs of learners in particular fields, such as Business, Medicine, Engineering, Aviation, Hospitality, IT and more.

The ESP TTC course at International TESOL Academy equips teachers with the knowledge, skills and practical techniques to design and deliver effective ESP courses for different professional and academic contexts.

You will learn how to analyze learner needs, select appropriate materials, develop relevant activities and assess progress — so you can help your students use English confidently in their real work and study environments.
